11.15 a.m. Question & Answer

11.30 a.m. **Professional Indemnity Covers and Claims**  
*by Mr. Michael Leong Wei Xin*  
*Aon Insurance Brokers (M) Sdn Bhd*

12.00 noon Question & Answer

12.15 p.m. **Engineering Toward Net-Zero Buildings in Malaysia: A Path to Sustainability**  
*by Ir. Chong Chew Fan*  
*ACEM President*

12.45 p.m. Question & Answer

1.00 p.m. End of Talk / Lunch

Note: Programme, topic & speaker may be subject to change without prior notice.

## Speakers

**Ir. Sharifah Azlina  
bt Raja Kamal Pasmah**

Ir. Sharifah Azlina Raja Kamal Pasmah is the Executive Director of HSS Engineers Bhd. (HEB), Chief Executive Officer of HSS Integrated Sdn. Bhd. and BIM Global Ventures Sdn. Bhd. HEB is Malaysia's largest homegrown engineering consultancy, with a group workforce of 1000 employees, operating from offices in Kuala Lumpur, Johor Bharu, Kuching, Phnom Penh, Jakarta, Chennai and an associate office, CHSS, in Dubai. Ir. Sharifah Azlina is instrumental in the successful listing of HEB on the Kuala Lumpur Stock Exchange in 2016 where she serves as the Board of Director until now. She has led numerous iconic projects locally and internationally, in sectors of urban infrastructure, transportation planning, roads & highway and rail & transit systems, over her 34 years of experience within the consultancy industry. The projects includes Maju Expressway, Sungei Besi - Ulu Kelang Expressway, Duta - Ulu Kelang Expressway (DUKE), Simpang Pulai - Lojing - Gua Musang - Kuala Behrang Highway, LRT System II for PUTRA (now known as Kelana Jaya Line), Ampang Line Extension, KVMRT 1, 2 & 3, East Coast Rail Link (ECRL) and Electrified Double Tracking between Rawang - Ipoh, Infrastructure Works of Kwasa Damansara Township, Tun Abdul Razak Rehabilitation Centre in Melaka, Institute Jantung Negara (IJN) Expansion are among the projects led in the infrastructure/building. And on the international grounds Dubai Techno Park Development, Ras Al Khaimah Gateway, UAE, Nad El Sheba Race Course & Mixed Use District, Dubai, Madinat Al Arab, Masterplan Study, The Phnom Penh - Bavet Expressway, Cambodia and The Bhagdad Metro Project

Ir. Sharifah Azlina is a Professional Engineer with Practicing Certificate with the Board of Engineers, Malaysia, a board member of BEM (2022 - 2023), a Council Member of the Association of Consulting Engineers Malaysia, a Fellow and council member (since 2023) of the Institution of Engineers, Malaysia and Council Member of the Malaysia Rail Industry Corporation (MARIC) since 2022. She is also the Industry Advisory Panel for Civil Engineering disciplines at Monash University, Malaysia, University Technology Petronas and TAR UMT (University of Management & Technology). She also sits as the panelist of DBKL hearing committee for KL Structure Plan 2040. For her contribution to Women in Science, Engineering & Technology, she was conferred AFEO Honorary member in 2020.

**Mr. Michael Leong Wei Xin**

Michael joined Aon Malaysia in September 2021 in the role of FSPG Claims Manager. Before joining Aon Malaysia, Michael was a qualified loss adjuster and was part of the Liability & Casualty unit wherein he was responsible and oversaw the management of key client portfolios in respect to Third Party claims. He had served in Sedgwick Malaysia Sdn. Bhd., a loss adjusting company for 4 years. Prior to being a loss adjuster, Michael was practising as a litigation lawyer, having been called to the Malaysian Bar in year 2015.

Michael is a graduate from University of London with a Bachelor of Law (LLB). He was called to the Malaysian Bar in 2015 after completing his Certificate of Legal Practice (CLP) in Malaysia in 2013. He has also obtained his certification in the Basic Certificate Course in Insurance Loss Adjusting (BCCILA), BCCITB, CMII, and CCILA certifications. In his role as a Claims Manager under the FSPG cluster, Michael oversees the day to day handling of complex claims reported primarily under BBBPI, Med Mal, Engineering PI and D&O policies for key clients ranging from financial institutions, private hospitals, and professional consultants. Apart from the above, he also spearheads the technical collection and claim recoveries for Trade Credit Solutions for clients locally and abroad.

**Ir. Chong Chew Fan**

Ir. Chong Chew Fan holds a Bachelor of Engineering (Hons) in Electrical and Electronics Engineering from National University of Malaysia (UKM). He is a Professional Engineer with Practising Certificate (PEPC) registered with Board of Engineers, Malaysia (BEM), ASEAN Chartered Professional Engineer (ACPE) and Registered Electrical Energy Manager (REEM) with Energy Commission Malaysia.

Ir. Chong has more than 20 years of working experience covering design, contract administration, project management and consultancy in electrical and instrumentation services. He has vast experience in infrastructure and building works including green building and sustainable designs, housing development, mixed development, office and commercial buildings, water and wastewater, highways and roads.

Ir. Chong is also an active member in various technical committees and working group in International Electrotechnical Commission (IEC), Department of Standards Malaysia (DSM), Energy Commission Malaysia (EC) and Green Building Index (GBI) on standards and guidelines development.

### Registration Fee (per person)

ACEM member firms - RM 130.00

Non-members - RM 200.00

*The registration fee is non-refundable. However, substitution of participants can be arranged by informing the organizer one (1) week before the talk.*
